3) PICK YOU PARTNER DRAW: For those who haven't played this format. This is a really fun and exciting event. You get the chance to pick the player you have always wanted to play with! We put the top 10 rated players on 1 side and the rest on the other side. Then we draw a name from the lower rated side. The first name that is drawn picks his partner and so on. Until the top 10 rated players are gone. Then we draw the remainder up.
